To provide the highest quality Behavioral Health and Developmental Disabilities care in a professional, responsive and caring manner, which is valued by individuals, families, communities, and employees. We will assist all individuals in achieving a life of independence and maximum quality.

To the NAMI staff and donors,

Thank you so much for your generous donations to Serenity Child and Adolescent Program. We truly appreciate your commitment to the children that we service.

Because of your generosity, we are able to provide our clients with effective tools that they can utilize as coping mechanisms.

I am certain that the children will be appreciative of your kindness.

Thank you again, and we look forward to your continued support!

Sincerely, with kind regards

Kretika Landells-Fraser (Program Director)

Dr. Elizabeth Messulam (Psychiatrist)

Our mission is to provide the highest quality Behavioral Health and Developmental Disabilities care in a professional, responsive, and caring manner, which is valued by individuals, families, communities, and employees.
